

5-SECOND CHALLENGE - TEACHER'S NOTES

This is the example of a popular **Hot Potato Game**. The ss have only 5 seconds to come up with the ideas from the card. To navigate through the presentation you just need to pick a set and play. Each set contains 5 cards and starts with a yellow page make sure that all the ss are ready.

*

Use the sets as warm-ups, fillers, or just an in-between exercise for your students.

*

Organize a class team race to make the lessons fun.

*

Use the activity as an ice-breaker to see how many different words your ss already know.

*

Ignore the timing and use the questions to revise different vocabulary sets.

Feel free to adopt the activities to suit your needs. Have fun!
