The aim of this game is to practice sentence structure. It can serve as a revision exercise or as a speaking practice both for groups of students as well as individual practice. Use the arrows to mark the way.

*

SS make sentences from point A to point B. The sentences don't have to be connected logically. The aim is to create as many sentences as possible on the way correctly.

VARIATIONS

- * Ask ss to write down the sentences they create.
- * Play the game as the race between the teams. Assign a point for each correct sentence.

Feel free to adopt the activities to suit your needs. Have fun!
