

NAME 5 - TEACHER'S NOTES

The aim of the activity is to revise the vocabulary that ss already know. T can use it as a warm-up activity or a filler to animate the class. T tells the ss that they will have to name 5 things in a given category. The cards are drawn at random.

GROUP VERSION 1

* T divides ss into groups and then tells them to write down the words. Let ss read them aloud. In this way you can improve collaboration among students.

GROUP VERSION 2

* T divides ss into groups and draws a card. Then picks a student from one group to give the words in a given category. Assign a point for each set of 5 correct words.

INDIVIDUAL ACTIVITY

* T asks each ss individually to write the words. After the activity is finished T asks the ss to read their words and together they create a list of all of the ideas.
