

PASS THE WORD 2 - TEACHER'S NOTES

The game is mostly based on Polish-English translation. Students translate the words they can see which come in alphabetical order. Every mistake takes away one life. If you don't know the word, you can pass it and come back later not losing a point. The game is a perfect way of revising the vocabulary or just a filler as well as a warm-up before the main lesson. Some words do not begin with the letter assigned because of the difficulty level or they simply don't exist. You'll find all the wordlists attached as PDF file on the index slide - **WORDLISTS**
