

EVERY DAY 1 - LET'S LEARN

The aim of these vocabulary games is to either teach new words or revise what ss have already learnt. There are many flashcard and word exercises which help ss remember vocabulary connected with Present Simple everyday activities. T can use each activity separately or go from the first to the last one in the order provided or combine them to suit their needs. The activities are based on memorizing, matching, writing or revising the actions. The instructions for the students are in the titles of the activities.

How to play in class

BRAIN EXERCISE 1 & 2

Slide 3 through 6 contain the flashcards that T may show to ss in order to teach them everyday activities. Ss may also do it themselves to study the words. After the page with flashcards, ss need to demonstrate what they remember by writing the activities they studied in order.

WHAT DO YOU REMEMBER?

It's a simple flashcard activity illustrating all previously learnt words. T shows the image and ss repeat the words they studied. (slide 7)

MATCHING TIME 1&2

It's a mini Dobble game where ss need to match the images to the words appearing on the screen. There are 2 sets, each containing different activities. (slide 8-9)

Team race: Organize a team race for ss to come to the board and mark the correct image.

MESSY DOMINO 1 & 2

Slide 10-11 contain cards with images which have wrong captions. The aim of the activity is to correct them by saying what the kids in the pictures do. The exercise practices negative sentences and positive ones with the use of 3rd person singular. Follow-up: Use these images to encourage ss to write all the sentences which can later be read out loud.

FIND A MATCH 1 & 2

Slide 12 and 13 contain the flashcards and word cards that ss need to match in order to complete the activity. Ask ss to say the correct sentences after they have completed the activity.

FINAL CHECK

This exercise checks how much ss remembered from previous activities. They write the correct words under the images.

Feel free to adopt the activities to suit your needs.
