Jobs flashcards and games

TEACHER'S NOTES

This is a set of job flashcards that can be used to introduce or review this vocabulary. However you may use it to play speaking and vocabulary games with your students any way you want. The set includes the resources to play different matching or recognition games as well as spelling games or domino. There are also cards to play guessing games of the jobs and commenting - matching attributes to the jobs. The T can organize card games in which ss decide who who the object belongs to.

Level: A1 - B1

Objective: To review jobs vocabulary, speak about what each person does in every job and create context for the vocabulary

The set includes

- 4 pages - small flashcards and word cards (30 flashcards)
- 15 pages - big flashcards and word cards (30 flashcards)
- 15 pages with job descriptions (30 flashcards) for a guessing game or a match game
- Mismatched domino (30 dominoes) to play (He is not a mechanic. He is a butcher.)
- 5 pages - job attributes to match - (26 images)

Altogether 41 pages of fun images! And 2 backgrounds to choose from.

Feel free to use the flashcards any way you want that suits the needs of your students.
