Challenge 5

Elf's Duties - Reading comprehension / questions (daily routine, Present Simple)

Every morning I wake up at 6:00. It is dark and very cold. I open my window and see snow everywhere. Then I eat one big cookie and drink warm milk.

At 7:00, I go to Sleigh Practice. Today I cleaned two small sleighs and one big sleigh. I also helped a baby reindeer put on a tiny red scarf. The reindeer was very cute!

After Sleigh Practice, I walk to the Toy Room. It is a busy place. Elves run, laugh, and carry toys. Today I made three red trains, one blue robot, and two soft teddy bears. I like the toy room because it smells like paint, wood, and Christmas.

At 12:00, it is lunchtime. I go to the Cookie Café. I eat a sandwich and drink hot chocolate. My friend Starshine sits with me. She tells me jokes, and I laugh a lot.

In the afternoon, I have Elf Classes. First, we learn Gift Wrapping. I wrap presents with shiny paper and long ribbons. Then we learn Sleigh Safety. We practice saying, "Hold on tight!" and "Watch out for snow!" Finally, we have Christmas Choir. I sing loudly, but not very well. My teacher says I have "big Christmas energy."

Before going home, I visit the Reindeer Yard. I give the reindeer carrots and brush their fur. Dasher sneezes on me, and I get snow on my nose. It is funny!

At 4:00, I walk back to my small elf house. I write my homework, clean my boots, and drink peppermint tea. It was a long day, but a good day.

This is everything I remember.

Can you help me finish my report? Thank you!
